Parent Student Handbook Acknowledgment

Dear Parents and Guardians,

The Parent Student Handbook contains policies, rules, and regulations of St. Gabriel School.

In order that you may better understand the philosophy and requirements of St. Gabriel School, it is important that you thoroughly read your handbook with your child/ren. Please find the handbook information via our school website, www.saintgabes.com, under the heading “documents”.

Please sign, date, and return this form. This form indicates that you have read and accepted responsibility to fulfill the expectations of policies (which includes the financial policies and obligations), rules, and regulations contain therein.

You will be notified of any updates/changes to the handbook per compliance requests from the Archdiocese of Chicago.

I have been informed via email and read the handbook on the St. Gabriel School website and accept responsibility to abide by the policies, rules, and regulations as printed in the St. Gabriel School Handbook.
